Approved For Release 2001/04/01 : CIA-RDP83-01022R000100050008-1

Lee -

This is a move but I'm afraid we're far from where McCloy would have us + before the Moorhead committee could call the Director to testify.

Ultimately we should have position statement, analysis of existing + proposed legislation, anticipated questions + answers. Perhaps books like the ones we put together on Ervin bills is where we should head.

Early talk needed.
